

# GIS day 2019

The City of Irvine Human Resources & Innovation department will host its annual GIS Day on November 14, 2019. GIS Day provides a forum for users of geographic information systems (GIS) technology to demonstrate real-world applications that are making a difference in our City and society.

Join the City's various departments for presentations, application demonstrations, and more.

Test your Irvine knowledge with a chance to win a prize.

**When:**

Thursday, November 14  
10 a.m. – 2 p.m.

**Where:**

Irvine Civic Center  
1 Civic Center Plaza  
Irvine, CA 92606

For GIS Day information, call 949-724-6956
